"You want coruscating imagery and serious slapstick verbal hijinks with fantastic mouth-feel? You want frolicking, untrammelled effusions that would make Fanny Hill kick up her skirts and yell for more? You want a supercharged drag-race through the heart of a 'complete genius and a complete rogue,' father to the great Romantics, dead by his own hand at 17? You want cutting edge verse that makes your brain bleed with delight? You want George Rawlins' *Cheapside Afterlife* my friend."
